Hi So,

Not a problem. I will definitely make sure they cover the bluff area.

If you can refresh my memory, how often does this survey need to be done?

Thank you!

Hi Lili,

Thank you for submitting the survey. I was informed by PVPLC that the survey did not cover the bluff areas and that there's a recommendation in the survey that the Land Conservancy (PVPLC) do that. However, the PVPLC's management area does not include the bluff areas along the Trump property. As a result, from this point forward, please keep in mind that your surveys will need to include the bluff areas.

Sincerely,

So Kim, AICP
